Injector Pharmacy

The Medicine Shoppe 4206 Chapman Hwy in Knoxville, Tenn. 865-579-4547. The patient can bring their prescription from the doctor and pick up the medicine and get the injection at the pharmacy. This is beneficial for any doctor that doesn't have a nurse. The patient must contact the pharmacy 24 hrs. prior to their injection so the pharmacy can order the injection and have it available for the patient to receive.

Private practice providers using Vivitrol

Cornerstone in Knoxville also opened an outpatient clinic called "Allied Medical." This is a facility in Alcoa and their contact number is 865-684-1630. Commercial insurance only

Peninsula Outpatient in Knoxville and in Maryville both offer Vivitrol and accept all insurance.

Center for family Psychiatry in Knoxville - Dr. John Robertson and Dr. Kelley Walker. Commercial Insurance.

Parkway Psychiatry in Blount County, Tennessee - Commercial Insurance
