# *Welcome to Canning Arts Group*

Canning Arts Group (CAG) is a self-funded not for profit community-based organisation which has been in existence for over 50 years. CAG provides a vibrant arts hub in the Canning area and is a great place to have fun, improve your skills or learn some new ones. Courses are offered for adults, children and Persons with a Disability.

CAG offers classes through four term programs each year in a wide variety of areas for adults including pottery (wheel and hand work), painting (all mediums), glass slumping, framing and other arts and crafts. Throughout the year, CAG also offers a range of shorter Workshops in a wide variety of areas and information about these can be found on the CAG website.

For children aged 7 to 16 years, CAG offers term programs in both pottery and in a variety of arts programs designed to assist children in learning new skills.

Contained within this booklet are the Term 1 2022 Programs for both adults and children and we welcome you to explore your creative interests in a fun and supportive environment.

Bookings can be made online directly from our website @

## Oil Painting

**8 weeks**

with Lawrence Easton

Monday 7 February – Monday 28 March 2022

In this class we will learn to produce clean, fresh, light-filled paintings & avoid dull, flat, muddy colours by controlling colour mixing and brushwork. We will explore composition & design & how to use them for best effect.

You will mostly be working on your own paintings of choice but there will also be occasional exercises to help develop your eye, technical proficiency, accuracy and speed along with demonstrations and discussions on topics of interest or particular techniques.

**Mondays 12.30 – 3.30pm**

**Cost: \$220 members | \$240 non members**

## Watercolour Botanicals & Landscapes

**8 weeks**

with Maimunah Abdullah

Tuesday 8 February – Tuesday 29 March 2022

In this class, the focus will be in producing accurate depictions of real-life botanical specimens.

We will explore recreating colour from nature, tonal values and colour theory and develop technical proficiency in drawing and watercolour painting.

**Tuesdays 9am – 12 noon**

**Cost: \$220 members | \$240 non members**

## Watercolour

**8 weeks**

with Maureen Lipa

Monday 7 February – Monday 28 March 2022

In this class we will explore both traditional and experimental techniques through a series of playful weekly projects which will encourage you to develop your own creative vision.

Each class will include an interactive demonstration and a lively discussion all in a warm and supportive atmosphere. Suitable for all skill levels.

**Wednesdays 9 am - 12 noon**

**Cost: \$220 members | \$240 non members**

## Art of Abstraction

**8 weeks**

with Stephanie Reisch

Wednesday 9 February – Wednesday 30 March 2022

A mixed media course that guides students through the various steps and processes towards abstracting an image, both visually and conceptually.

Develop expression and perspective, experiment with wet and dry media and unconventional supports.

**Wednesdays 12.30 – 3.30pm**

**Cost: \$220 members | \$240 non members**

## Exploring Acrylics

8 weeks

with Peta Zeller

Thursday 10 February – Thursday 31 March 2022

This acrylic painting class is an opportunity to continue developing skills with acrylic paint, to see the possibilities and a range of outcomes with this fun and versatile medium.

The lessons continue to develop knowledge in tone, color, brushwork, texture and composition, where the student will provide their own personal drawing or photographic material to work with to produce artwork with assistance from Peta.

This painting course would be ideal for those who have completed a Colour Workshop with Peta or ongoing students from Peta's previous classes.

**Thursdays 9.00am – 12.00 noon**

**Cost: \$220 members | \$240 non members**

## **Art (ages 7+)**

**8 weeks**

with Bridget Seaton

Friday 11 February – Friday 1 April 2022

During the term children typically work within the framework of 1 or 2 themes. Themes range from portraiture, still life, animals and birds, cityscapes and landscapes, plants and natural forms. Generally, a project will commence with drawing skills and direct observation drawing is encouraged whenever possible.

After working on drawing skills children will move into colour work exploring the subject through watercolour painting and colour pencil. Emphasis is placed on paint handling and learning about colour. At times children will have the opportunity to work in mixed media with materials provided from the teacher (pastels, collage etc). Although observation is the starting point, projects often include an element of abstraction, self expression and imaginative work.

### Art

**8 weeks**

with John Ilmenstein

Friday 11 February – Saturday 2 April 2022

Beginner classes involve set exercises as children are taught the fundamentals of realistic drawing along with tone and colour theory over the course of one term. Each class explores growing a collection of mark making techniques and different mediums including various grades of pencil, charcoal and pastels. Weekly projects involve gesture and contour drawing, positive and negative space awareness and perspective.

Returning students are encouraged to challenge their personal skill level, reinforcing what has previously been learnt. Individual projects are considered and developed over several sessions. Students are exposed to an awareness of Surrealism, Expressionism and many modernist artists are used as inspirations to explore beyond realistic drawing.
