

Scripture Hand Fan

A fan you can make yourself to keep you cool!

Supplies Needed:

- Cardstock (or thick paper)
- 8-inch Craft sticks (or long Popsicle sticks)
- Glue (or another adhesive, such as double sided tape)
- Scissors
- Markers
- Your favorite Bible verse

Instructions:

1. Take an A4 size (or an 8 $\frac{1}{2}$ X 11 inch) piece of cardstock paper.
2. With the long side at the top, fold the paper in half. Cut along the folded line, so that you now have two cards the same size.
3. Using markers, write your favorite Scripture on each card and decorate. *You can also write a different Bible verse on each card.
4. Place glue (or double sided tape) on about half of the craft stick.
5. Place the stick (glue-side down) on the back of one of the cards. Make sure it is on the bottom half of the paper, in the middle.
6. Place adhesive along the edges of the back of the card and on the top half of the craft stick.
7. Line up your second card to fit evenly on top of the glue-covered card, and press firmly. Let it dry completely.

Use your fan to keep cool!
